The fox saw his own shadow
Oh! My god this is my shadow, so long and huge, that means i am the greatest of all in the entire forest! I am the longest! I am the most powerful!

Repeatedly the fox began to view his own shadow
The forest king, the lion also will appear like a kid.. a kid before me!

A kid-like lion, to be the forest king. Is it good thing? Now i will fight a war against lion. I will defeat him in a second and i will be the king. Its good that i saw my own shadow. Otherwise i wouldn't have known my own strenght
